31 Steps

It is that time again. We need to shake the snow or sand from our shoes and begin the 31 STEPS to success that will fulfill our dreams.

The summer is on its way and the doors of opportunity will be opening with garage sales and estates sales going on every weekend. The papers will be filled with treasures for us to buy and people will begin to feel the sun so their buying appetite will bring you the buyers for your treasures.

I think that I may start a sample inventory of a \$100 along with you so that there will be no doubt that our system works if we work it. All our members should set a goal for themselves to be completed this year. My goal will be to complete 8 steps this year which will be \$25,600. Hopefully I will do even better. Will you pledge to follow me?

I would appreciate if some of the members would email me as to where they are in the 31 Steps and also some of their success stories to be shared.

If you are a new member that has questions about the sets please email me and I will contact you as soon as possible. daryle@darylelambert.com or 847-784-8544
